<http://www.baltimorecity.gov/government/planning/downloads/Zoning101Handout1.pdf>
<http://www.baltimorecity.gov/government/planning/compplan/masterplan.php>
4. Civic League membership levels
5. Optimal organizational structure of Civic League
 - a. Balancing reactive role to specific problems with making progress on larger issues
 - b. Involvement of community beyond those serving as CL officers
 - c. Role and effectiveness of Plat Reps (Bob Hearn)
 - d. Communication of CL activities to community
6. Strategic planning for Civic League activities for 2008-2009 (Beginning at 7:30 PM)
 - a. What are the issues most important to Roland Park residents (small scale and large in scope, immediate and long term in time frame)?
 - b. What issues should the CL focus on?
 - i. Where can change occur quickly (ie low hanging fruit)?
 - ii. Where are changes likely longer term (perhaps even multi-year)?
 - c. What should our specific goals be for the coming year?
 - d. What are you particularly interested in working on?
 - e. What would make the Civic League more effective?
