CALL TO ORDER

The Meeting was called to order at approximately 7:00 pm.

Present: Six member of the RPCL were in attendance. There was no quorum, therefore these minutes will not be adopted by the Board and are for informational purposes only.

GUESTS

Bill Sharpe (plat 2).

Ann Lundy, President RPR&M

BUSINESS

1. Marianist Project: Mike informed the group that the property had been slated for a BMZA hearing for a rear setback variance. The hearing was cancelled and the developer has agreed to comply with existing set-back requirements.
2. 4608 Roland: This property is currently for sale. The board was advised that the owners had been approached by a suitor who proposed razing the existing structure and building three townhomes on the site. Ann Lundy reported that the property is under restrictive covenant and the R&M would most likely not approve of this proposed alteration.
3. Ann Lundy also discussed projects under consideration by R&M, namely, replacing various signs for RP paths, repairing damaged railing on paths and replacing the RPR sign on University
