

City of Baltimore Tree Planting Request

Tree Planting Agreement:

The adjoining property owner submits a dated and signed agreement, requesting tree planting on City or community property to; The City of Baltimore, Department of Recreation & Parks, Forestry Division, 2600 Madison Ave. Baltimore, MD 21217.

Include, planting address if different from owner address and any location and species preferences desired (final placement and tree selection is determined by the Forestry Division).

The adjoining property owner:

- 1) Owns the property adjoining the area to be planted.
- 2) Insures that no raised planter box or anything that impedes the free flow of water will be installed at any time around the tree.
- 3) Understands that any existing raised tree planter boxes will be removed prior to tree removal and/or tree planting.
- 4) Insures the roots of the tree after planting will be saturated with 20 gallons of water once to twice a week, April thru November for a minimum period of two years.
- 5) Understands that the tree is the property of the City of Baltimore and that pruning requires *written* permission from the Forestry Division.

By applying for a tree, the applicant:

Understands and agrees to all of the conditions listed above;
