

March 13, 2009

To my Roland Park neighbors,

I have just been notified by Ms. Libby Bowerman, CEO of Keswick Multi-Care, that their contract with the Baltimore County Club to develop a continuing care retirement community has been terminated.

I expressed my respect for the contribution that Ms. Bowerman and Keswick makes to our community and to the City.

To all who have participated in the community effort, thank you. This has truly been a community effort.

Philip Spevak
President, Roland Park Civic League
