Dear Roland Park Residents:

As some of you may have heard, a new restaurant is being proposed for the Roland Park Shopping Center, 4800 Roland Avenue. Restaurateurs Tony Foreman and Cindy Wolf, who also run Petit Louis Bistro in the same Shopping Center are currently in negotiation with the shopping center owners. Details of the proposed restaurant provided by the restaurateurs have been posted to the Roland Park website for your review, and the first hour of the Civic League's February 3rd board meeting will be dedicated to hearing more about the proposal plans from the developers and for the community to ask questions and express comments. As with any development, there are both pros and cons that should be discussed.

I urge you to learn more about the proposed restaurant via the Roland Park website and attend the upcoming Civic League meeting. The meeting will begin promptly at 7pm in the basement of the Roland Park Presbyterian Church (across from the shopping center) on Thursday, February 3rd.

Sincerely,

Ian D. MacFarlane
President, Roland Park Civic League
