

On October 15, the Roland Park Civic League voted unanimously to approve the following resolution:

Be it resolved that the Roland Park Civic League hereby opposes the proposal by Keswick Multi-Care Center for the development of a continuing care retirement community on the Baltimore Country Club undeveloped land

And

Be it resolved that the Roland Park community seeks to preserve the use of the historic property for recreation and open space developed as an alternative plan and to pursue acquiring the property from the Baltimore Country Club for that purpose.
