# Club land not core of Roland Park

July 14, 2008

I have lived in [Roland Park](#) most of my life, and I happen to know that the piece of property under discussion in the Keswick Multi-Care Center controversy is not in the center of Roland Park but across the street from the Baltimore Polytechnic Institute playing field and a few blocks north of a nursing home ("A more sensible site for Keswick center," Commentary, July 10).

What I want to know is where do the opponents of this project expect to go when they have gotten too old to maintain their magnificent mansions?
